NORDIC VACUUM FOOD THERMOS 600 ml HFN01

The vacuum food thermos will keep your meal at the right temperature for hours. Easy opening and convenient consumption of a meal. Made of extremely durable 18/8 stainless steel, naturally free from BPA, resistant to mechanical damage. The food thermos does not affect the taste or smell of food. It has a double insulation, thanks to which it maintains the desired temperature of food for many hours (up to 6 hours hot and up to 12 hours low).

DRINKWARE COLLECTION

By choosing products made of safe materials, you care not only for the environment but also for your own health. BPA can cause a massive negative impact on our physical health, it is also difficult to recycle. We highly recommend the BPA-free drinking bottles from Colorissimo as they will help you improve your lifestyle. Additionally, the soft-touch finishing ensures both comfort and safety against burns.

- made of stainless steel
- soft touch rubber-feel finishing
- certified for contact with food
- BPA FREE
- elegant packaging
